When you order custom oligos, you can register it in the "BMB bestillingssystem". Fill in:

- Purchase order number (rekvisitionsnummer)
- Quantity (antal)
- Account number/group (kontonummer/gruppe)
- Date
- Name

The requisition form will then be filled out and the case closed. You will not be notified via the BMB bestillingssystem when the oligos are delivered, however it will save you a trip to Birgits office to fill in the requisition form yourself ©

Also please put in your own name in the shipping address, so your oligos will be delivered to, and paid by, the right person.

Please inform your account number when placing an order. It may very well be on the invoice too.
