

Who to ask!

Use this overview if you are in doubt of whom to approach with questions related to administration and service at BMB. Only a subset of the many tasks performed in SAS are included.

- Remember to use BMBs pages at SDUnet – maybe you find your answers there

Hanne Algot Nielsen

bmb-studiesekretær@sdu.dk

Study and exam administration

Questions from employees about:

- Examination planning and execution (digital exam)
- Censor appointments
- Student projects, contracts, project descriptions
- Keys, student cards, student server access (via supervisor)
- International students
- Study board cases (or contact head of education, Lars Grøntved)

Questions related to company projects should be addressed to Peter Højrup or Eva Bang Harvald.

If you, as a student, needs advice in addition to what the study counselors and your supervisor can contribute, contact Hanne or Magnus.
