

**CALL FOR APPLICATIONS:  
FUNDING FOR RESEARCH VISITS  
NORDIC CENTRE AT FUDAN UNIVERSITY  
SPRING 2026**

**Grant amount:** 400-600 EUR weekly (up to 4 weeks) and 500 EUR travel grant

**Application deadline:** March 31, 2026

**Who can apply:**

You are eligible to apply for the grant whether you are a researcher at a Nordic member university planning a research visit to China, or a researcher at Fudan or a Chinese affiliate institution planning a research visit to a Nordic member university. All levels (PhD fellows, Post Docs, etc.) are eligible to apply.

**What is funded:**

The costs of the research visits should be divided between the home university, the host university, and the Nordic Centre. Expenses covered are basic living costs up to the amount of EUR 600 per week for visitors to Nordic universities, and up to EUR 400 per week for visits to Chinese universities (shorter than actual allocations may be awarded depending on demand). Such basic living costs may include meals, various work-related expenses, or representation costs for work-related meetings, but not expenses like entertainment, clothing, or unnecessary consumption. All costs are initially paid by your institution/department at your home university.

**HOW TO APPLY**

To apply for funding for a research stay at Fudan or another Nordic Centre member university, please fill in the application form. You can find more information [on this page](#).
