

How to order your company glasses

- 1. Complete the requisition for computer glasses online** [here](#)
Measurement guide [link to video](#)
Your requisition will be sent to you & Synoptik by e-mail after approval.
- 2. Book a free eye test for business customers only** online at "[bestil tid](#)" in a Synoptik store.
- 3. In store: present you with your name and employer** or show your requisition.
Your requisition will be used for the eye test.
- 4. Choice of frame.**
In the store you will be introduced to the frames to choose from.
If you want a frame, that is not included in the agreement, blue control or eye health check, then this can be purchased by self-payment in the store.
- 5. Company glasses is ordered.** You will be notified once it is ready for pick-up.
