

Joint strategic discussion in the management group – select the issues that make sense for you

(Electronic solution is under preparation)

Questions for collaborative preparation by the management group

- What is our direction as a unit? What are our strategic goals as a unit?
- What are the management group's common goals with the MUS?
- What are the key considerations for strategy and objectives in the upcoming MUS?
- How can we translate the strategy to our own departments and areas in a way that is most relevant to employees?
- Are there particular themes or areas we want to focus on in this year's MUS across the unit?
- What messages are so central that we all need to communicate them?
- What are the characteristics of a good MUS?
- What can be difficult in the MUS?
- How is good feedback given?
- How do we ensure good follow-up after the MUS?
