

Rules for stands at the University of Southern Denmark

Permission to use a stand space is granted under the following conditions:

- No signatures may be collected, whether binding or non-binding, including subscription agreements.
- No products sold by the canteen at SDU may be distributed without prior agreement with the canteen. Find the contact information here: <https://www.sdu.dk/en/om-sdu/kantine>
- No sales activities are permitted.
- No technical devices may be used at the stand without prior approval from Technical Services, with a maximum of two technical devices per stand. Technical Services can be contacted at 8888@sdu.dk.
- Only roll-ups and other printed material produced at Graphics Center at SDU may be used. This ensures that the materials meet the approved fire safety certifications. The materials can be ordered here: <https://sdunet.dk/en/servicesider/kommunikation/grafiskcenter/bestillingogbetaling>
- No carpets of any kind may be used at the stand.
- No banners or similar decorations may be hung on walls or ceilings.
- Activities promoting violence, racism, discrimination, or other topics/actions that could discredit the university or otherwise contradict its academic values are strictly prohibited.
- No activities that could cause discomfort or insecurity for individuals at the university are allowed.
- Activities must not disrupt normal traffic flow at the university.
- No furniture, equipment, roll-ups, or similar items may be placed in evacuation routes. For clarification on evacuation routes, contact Technical Services at 8888@sdu.dk.
- A stand must not exceed 2x2 meters in size.
- A minimum distance of 1.3 meters must be maintained between each stand to ensure clear evacuation routes and to prevent the spread of fire by radiation.
