Anvendelse og udvikling af generativ Al i praksis

Mushtaq Bilal

Most of my work focuses on how to use AI apps for academic writing. There are six points I would like to talk about in this regard.

#### 1. Use AI for Structure and Not Content

### 2. Outsource Academic Labor to Al But Not Thinking

#### 1. Use AI for Structure and Not Content

## 3. Treat AI as a Research Assistant Not a Supervisor

## 4. Don't Over-Rely on Al and Don't Forget to Use You Common Sense

# 5. Al is Neither the Fantasized Utopia Nor the Feared Dystopia

### 6. Engage with These Apps
